

THE FRANKFORT ROUNDABOUT.

GEO. A. LEWIS, Publisher.

A WEEKLY PAPER—DEVOTED TO LOCAL AND SOCIETY NEWS.

TERMS: \$1.00 In Advance

VOL. XXIV.

FRANKFORT, KENTUCKY, SATURDAY, JUNE 22, 1901.

NO. 41

ATTEMPTED RAPE.

On Sunday night last another dastardly attempt at rape was made by a white man (boarding with a woman on a shanty boat) to rape a white girl about fourteen years of age, daughter of the woman with whom he boarded. The girl screamed, her mother came to the rescue and was knocked down. The little girl was also beaten. The fellow became frightened, before he accomplished his purpose, and fled.

HAND MANGLED.

While at work at the planing mill of Messrs. Choate & Fennell, Saturday morning, Mr. James Matthews had the misfortune to have his right hand fall against a saw, cutting the thumb and index finger almost off. Drs. James and Ely were called and dressed the wounds. It is hoped that the hand can be saved.

ARM BROKEN.

While at play at his home, on Friday night, Paul Meagher, son of Mr. Mike Meagher, aged eight years, fell and broke his arm. Dr. Hugh Tobin was called in and reduced the fracture. He is doing nicely now.

Backache should never be neglected. It means kidney disorder which, if allowed to run too long, may result in Bright's disease, diabetes and other serious and often fatal complaints. Foley's Kidney Cure makes the kidneys well. Take nothing else. South & Longmoor and W. McKee Hardie.

FIRE THURSDAY.

At 1:30 on Thursday an alarm from box 23 called the fire boys to the frame residence of Mr. Lee, on Clinton street, above High. The roof was found to be on fire. It was soon extinguished. The loss amounted to about \$100.

ALUMNI BANQUET.

The alumni of our city high school entertained the graduates of this year at a banquet at the city school building on Friday night last. There were quite a number of toasts given and responded to, and all present had a most delightful time. See programme elsewhere.

BEAUTIFUL AND FRAGRANT.

Mr. John M. Bull, commercial evangelist for Parke Davis & Co., Drug Business, brought to our office, on Saturday, what he says the people of Wolf county, Ky. (where he obtained a number of them), call the "Wild Cucumber," which has a bloom very strongly resembling the Magnolia of Louisiana. The bloom Mr. Bull showed us measured about twelve inches across, and was of a very light cream color with a delightful aroma. The leaves were very large and look like elephants' ears. We are strongly of the opinion that it belongs to the Magnolia family.

AGENTS WANTED.

Big pay. Idleness is a crime. Accept work with the largest subscription book house in America. If now employed, you can probably make more money with us. Address Carr. Book Co. (a branch), Carrollton, Ky. 40-2t.

TUESDAY'S FIRE.

At 5:15 Tuesday afternoon, an alarm (or, we had better say, a series of alarms from boxes 14, 15, 16 and 19), called the fire boys to the residence of Mrs. Sallie A. Graves, on South Shelby street, known as the barracks, where it was found that the roof of the house was in full blaze.

Owing to the confusion in alarms, caused by the wires being badly mixed by the telephone crew, the department did not arrive as promptly as usual, and the fire had gained considerable headway. The boys did fine work after they did arrive.

It spread, however, to the adjoining house of Mrs. Laura Merchant, and both of them were badly gutted before the flames could be controlled.

The loss amounted to some \$1,500.

Mrs. Graves had \$500 insurance upon her property, with Messrs. W. P. Scott & Co. Mrs. Merchant had no insurance, and she loses about all she had.

There were six families living in the two houses, the greater part of their effects were saved, but in a damaged condition.

CHEAP INSURANCE.

Many a man has been insured against Bright's disease, diabetes, or other dangerous ailment by a fifty cent bottle of Foley's Kidney Cure. South & Longmoor and W. McKee Hardie.

PRISONERS CUT EACH OTHER.

Dillard Rainey, of Clark county, and Albert Elmore, of Green county, two life-timers in the local prison, had a carving match on Tuesday afternoon, in which both were seriously injured.

CARD OF THANKS.

We are requested by Mrs. Sallie A. Graves and Mrs. Laura Merchant to return their sincerest thanks to those who so kindly assisted in saving their furniture, etc., on the occasion of the fire which destroyed their houses on Tuesday afternoon. But for the timely assistance rendered by these kind friends the loss would have been total.

Men may differ on politics, religion or finance, but all who have tried Banner Salve are agreed as to its worth for cuts, burns, sores, piles and skin diseases. It's the most healing medicine in the world. South & Longmoor and W. McKee Hardie.

GEORGETOWN'S ELK CARNIVAL AND SHOW.

We are in receipt of a letter from the Secretary of the Georgetown Elks Carnival and Horse Show, Mr. T. C. Bell, announcing that Georgetown Lodge, No. 520, B. P. O. E., will give a grand Carnival, Horse Show and Midsummer Entertainment during the week beginning with July 22d.

They propose to have a big time generally. Every body invited to attend. There will be a big crowd from this city. Half fare on all railroads.

A fatal policy is to neglect a backache or other sign of kidney trouble. Foley's Kidney Cure is a sure remedy for Bright's disease, diabetes, and gravel. South & Longmoor and W. McKee Hardie.

GOOD ROADS CONVENTION.

Complete arrangements have been made for the Good Roads State Convention, to be held in Louisville, June 27 and 28. As Gov. Beckham, by proclamation, has asked the County Judges and Mayors to appoint delegates, a very large attendance is expected. All the railroads within 200 miles of Louisville will give a one-fare rate to the convention, so the trip can be made at the least expense. The conventions held elsewhere in the South have drawn large crowds, in addition to the delegates.

President Moore, of the National Good Roads Association, will have charge of the road making. He has with him a force of the finest road engineers in the world, and these will show how to build the best and cheapest roads, and how to keep them properly in repair. As the great majority of the 125,000 miles of roads in this State cannot be macadamized, a mile of modern earth road will be constructed that can be kept in order the whole year round. While these dirt roads are not equal to turnpikes when properly constructed, they make good thoroughfares and are easily kept in order and at small expense. The building of gravel and macadam roads will also be shown after the best plans.

One of the interesting features of the convention will be the exhibition of road-making machinery. There are eight carloads of these tools, and they will be handled by experts. The use of oil to lay dust will be illustrated by practical tests, and the proper

kind of drain pipes shown.

The machinery and the delegates are carried free by the Illinois Central railroad, which is helping the good roads movement. The roads to be constructed will be made after the best plans, such as have been devised after long experience by road engineers in every part of the world.

The National Good Roads Association has been ten years in growing to its present position of power and usefulness. It first built good roads at the World's Fair, and since then has held conventions in every part of the United States. It has secured the organization of a Good Roads Bureau in the Department of Agriculture, and has endorsing good roads inserted in the platforms of both parties. Its object is to promote good roads legislation in every State. The next National Convention will be held at Buffalo, in September, and it is hoped that this State will be organized at the Louisville meeting, and delegates sent from it to Buffalo.

Addresses on good roads will be made by Mr. Henry Watterson and Gov. Beckham, and by many others. The meeting will take place in the open air where the road building is going on. The convention is purely a State affair, and it will be followed by district conventions later at Hopkinsville, Owensboro, and probably Henderson.

GOOD ROADS NOTES.

The subject of good roads is the most important one the people of Kentucky, or of any other State, can consider. Good roads will add immensely to the value of farming property, as it will make the markets easily accessible to farm and garden products, and by increasing the facilities and comfort of life in the country, will lead to large purchases of lands. Kentucky was a pioneer State in the construction of good roads, and some of the turnpikes built fifty and seventy-five years ago are still models of road engineering.

Good roads are the best investments the farmer can make. The cost of hauling his products to market can be easily cut half in two by the use of modern roads.

The next legislature will be called upon to pass a modern road law. In New York, New Jersey, Connecticut and other States the State aid to the construction of important thoroughfares.

Kentucky has some of the finest turnpikes in the world, but President Moore, of the National Good Roads Association, says he hasn't seen a single modern dirt road in the State.

Dr. Wallace has opened a Private Hospital at Frankfort, Ky., for the treatment of Chronic Diseases. Physicians in this and adjoining counties having cases requiring operations or such treatment as they have not the time or facilities for giving, can send them to this institution. For terms address Dr. Wallace, Frankfort, 19-tf.

Editor Roundabout:

Lost from his many friends for forty years but found in death—just received a very interesting letter from Col. Wm. H. Murray, 1601 East Washington street, Louisville, Ky., which informs us of the death of William Tecumseh Smith, an old school teacher, who taught school, about forty years ago, near Leestown, Franklin county, Ky. This is sad news to many of his pupils, who have passed the half hundred mile post of life. Some of his scholars are very useful citizens, and they are scattered everywhere. Some of them died before their teacher. His scholars are: Wm. Henry Murray, Marvill Craig (age 80), Newton Craig, Robt. Morris, Louis Rossell, W. Rossell, Lucy Rossell, James West, Virgil Essley, John Pierce, Henry Smith, Robt. Owens, Chas. Owens, Willie Owens, Susan Owens, Louis Oliver, Jennie Oliver, Joseph Duval, John Duval, Edw. Duval, William Duval, Sintha Duval, Louvenia Hawkins, Frank Peffer, Joseph Peffer, Lucy Peffer, Charlie Peffer.

UNNECESSARY LOSS OF TIME

Mr. W. S. Whedon, Cashier of the First National Bank of Winterest, Iowa, in a recent letter gives some experience with a carpenter in his employ, that will be of value to other mechanics. He says: "I had a carpenter working for me who was obliged to stop work for several days on account of being troubled with diarrhoea. I mentioned to him that I had been similarly troubled, and that Chamberlain's Colic, Cholera and Diarrhoea Remedy had cured me. He bought a bottle of it from the drugstore here and informed me that one dose cured him, and he is again at his work." For sale by J. W. Gayle and South & Longmoor.

Sympathy

Is a good thing for the young husband to give the young wife. But sympathy will not abate one jot of her nervousness or lift her to that plane of sound health where alone the wife and mother can find happiness.

Dr. Pierce's Favorite Prescription meets every womanly want and need. It tranquilizes the nerves, restores the appetite and induces refreshing sleep. Its use previous to maternity makes the baby's advent practically painless and healthy.

gives the mother abundant nutrition for her child. "Favorite Prescription" is a woman's medicine and has no equal as a cure for womanly diseases. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

Accept no substitute for "Favorite Prescription." No other medicine is "just as good" for weak and sick women. "It affords me great pleasure to be able to say a few words in regard to the merits of Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' writes Mrs. Flora Ann, of Dallas, Jackson Co., Mo. 'I was tempted to try these medicines after losing the effect upon my mother. At an early age of married life I was greatly bothered with painful periods and troublesome drain which rendered me weak and unfit for work of any kind. I became so that there was nothing left of me but skin and bone. My husband became alarmed and got me a bottle of 'Favorite Prescription.' After he saw the wonderful effects of that one he got two more, and after I used those they there was no more pain, and I began to gain in flesh very rapidly.'

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 cent stamps, to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

DELINQUENTS.

We desire to call the attention of a number of our subscribers to the fact that they are in arrears upon their subscriptions.

We have notified some of them of their arrearages, to which they have not responded.

After this date we shall stop their papers unless they settle their accounts.

There are others to whom we will send notices in a short time, and shall expect prompt responses, or they will be discontinued likewise.

These are small amounts to the individual, but amount to a considerable sum in the aggregate.

DESERVED RECOGNITION.

In the course of a column interview in the Cincinnati Enquirer with Col. John B. Thompson, President of the Kentucky Distillers' Association, in which he discusses the question of limiting the production of whisky in this State, occurs the following paragraph:

"One feature that enters into the distilling business in Kentucky now is that there are very few original or native Kentuckians that are in the business any more. I don't know of any body besides Ed Taylor and myself that are left. All the rest of the owners of Kentucky distilleries are outsiders. You have them here in Cincinnati; they are in New York, Chicago, St. Louis, St. Paul and Milwaukee. And then the Kentucky Distilleries and Warehouse Company itself is a prominent example of an immense amount of capital from outside invested in Kentucky distilleries."

This reference to Col. E. H. Taylor, Jr., President of E. H. Taylor, Jr. & Sons, as one of the two original Kentucky distillers who now remain in the business, is deserved recognition of a man who has done probably more than any other distiller to make the fame of Kentucky whisky encircle the globe. Col. Taylor has elevated the business which he adopted. His skillful advertising has kept the various world-known brands which he established prominent in the public eye. His knowledge of the history and details of distilling is complete and the ideas he is continually advancing are of value to other distillers as well as in his own immediate establishment.

Col. Taylor has, during the past few months, contributed several articles to The Herald which have proved of real value and general interest.—Lexington Herald, June 14.

A GENTLE HINT

In our style of climate, with its sudden changes of temperature—rain, wind and sunshine often intermingled in a single day—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Bochee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Croup, or any disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. THE CHAUTAUQUA.

In arranging our program for 1901, we have been careful in the selection of our talent that every day will be a big day. The program will be the most expensive yet presented for some length of time at any Chautauqua. In the West. In fact the policy has been to select the very best talent obtainable without regard to price. New talent appears at each session, but with very few exceptions, the engagement being in most cases for one date only. There's no chance for repetition. Every session will be spicy and interesting, and you will not want to miss a single number. We are going to entertain you as you have never been entertained before. We have not been content to make the program "as good as other Chautauquas," but have kept the idea in view of making our initial assembly better than any ever presented, and when you have enjoyed the eleven days of intellectual feast, you will cheerfully testify that we have surpassed all your fondest expectations.

GOOD MEALS ON THE ROUNDS.

Special attention will be paid to the eating houses and patrons will be assured of good meals at reasonable prices. Lunch and refreshment stands will provide any thing desired in their line. Visitors from abroad who do not wish to tent on the grounds, can get good local entertainment at \$1 per day in easy reach of the grounds.

ADMISSIONS.

Single admissions, 25c.; season tickets, transferable in the family, \$2.50. If purchased before June 15, 1901, \$2. Children under 12 free when accompanied by parents or guardian.

DEATHS.

JAMES—At the residence of her daughter, Mrs. S. J. Chesney, in South Frankfort, on Sunday morning, Mrs. Mary A. James, widow of the late Hon. Andrew J. James, aged 55 years.

Mrs. James was an estimable Christian woman—quiet and retiring, in her disposition—gentle and loving—she devoted her life to her family, her friends and her church. She was a member of the First Presbyterian Church, and the funeral services were conducted from her daughter's residence, on Ewing street, Monday afternoon at 4 o'clock, by her pastor, Rev. Dr. J. McCluskey Blayne.

She leaves four sons (Judge Daniel, Mr. John, Dr. S. E., and Mr. C. E. James), and two daughters (Mrs. S. J. Chesney and Mrs. C. C. Todd), and a large circle of friends and relatives to mourn her death.

HANER—At the residence of her daughter, Mrs. Sheffer Richardson, on Tuesday last, Mrs. Maria Haner, aged 80 years, after a long illness.

Mrs. Haner was a model Christian woman—doing her duty quietly, humbly and consistently. Her labors of love and duty are ended, and she has gone to receive the plaudit of "Well done, thou good and faithful servant."

The funeral took place on Thursday morning at 11 o'clock, from the residence of Mrs. Richardson, on Campbell street, South Side, services being conducted by Rev. Geo. Darsie, of the Christian Church.

Mrs. Haner leaves four daughters—Mrs. I. T. Risley, of La-Grange; Mrs. Joseph M. Kindred, of Texas; Mrs. Jos. L. Bohannon and Mrs. Sheffer Richardson, of this city—to mourn her death.

NORWOOD—At her home, on Broadway street, this city, on Tuesday, Miss Martha Norwood, aged about 80 years, of the infirmities of age.

Miss Norwood was a modest and retiring Christian woman, greatly beloved by those who knew her best. She was a member of the Baptist Church.

The funeral services were conducted by Rev. M. B. Adams from the residence, at 4 o'clock p. m., on Wednesday, and the remains were laid to rest in our cemetery.

CARD OF THANKS.

I desire to return my sincere thanks to each and every one of my neighbors and friends who were so unremittent in their kindness and sympathy during the long and fatal illness of my mother, Mrs. Maria Haner. Out of a grateful heart I pray the richest blessings of heaven upon each and all. Mrs. SHEFFER RICHARDSON, Frankfort, June 20, 1901.

By Chamberlain's Colic, Cholera and Diarrhoea Remedy.

"I am sure that Chamberlain's Colic, Cholera and Diarrhoea Remedy at one time saved my life," says A. E. Laflette, of Gregory Landing, Clark county, Missouri. "I was in such bad shape that the doctors said I could not live. When I was at the lowest ebb, one of my neighbors brought in a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and I took it and got instant relief. I soon got up and around. That was nine years ago and I am still in good health. Since then that medicine has always been in my house and always will be. It is the best on earth." For sale by J. W. TO OUR PATRONS.

The Frankfort Telephone Co., appreciating your patronage and desiring to meet the demand for its service in a manner worthy your support, and the growth which is annually ours, have leased new quarters on the southwest corner of Main and St. Clair, where we purpose installing our new plant, which will be absolutely up-to-date.

This work of re-installing the plant is a tedious and delicate undertaking, and the service will, of necessity, be below business standards during that time. This work is in the line of improvement, however, and we ask your indulgence for a little while, when we will give you service of the highest standard. The company claims some credit for the work it has already done. Coming into the field less than three years ago, it has built up an exchange of over three hundred connections in this county, and has reduced the rentals to \$12, \$15 and \$20 per year for city connections, a rate that is practicable and within the reach of the people. We have planned extensive work in the county. Contracts have been made, and the work of connecting every community in the county has actually begun, and will be completed during the summer.

We recognize the favor of your patronage and appreciate your kindly disposition toward us, and will endeavor to merit it in our business and personal relations. Very truly,
THE FRANKFORT TELEPHONE CO.,

GETS GOOD PLACE.

Hon. James G. Bailey, of Magoffin county, now in the Census Bureau at Washington City, has been appointed by the President Secretary of Legation for Guatemala. The position has a fine salary attached.

REMOVED.

The Central Station of the Cumberland Telephone Co. has been removed from its old position, corner of Main and Lewis streets, to the building now owned by that company, but formerly known as the Duvall building. There has been lots of fun for the "hello girls," and the patrons of that company used many Sunday-school words for the last month which it is hoped will no longer be the case.

BAD PRACTICE AND ACCIDENT.

On Wednesday afternoon the Frankfort Telephone Co.'s employees left a hole for one of their big poles uncovered on Main street, in front of the lot of Mrs. L. Tobin. A little daughter of Mr. A. L. Buckston was passing along the street and fell into the hole, bruising her arm and head very badly. A large lump formed at once near the temple. The little one was taken home and its hurts attended to.

The most delicious soda water, cherry ice, ice cold and refreshing drinks will be found at the confectionery of Luther F. Violet, at Todd's old stand. Call and give him a trial. 40-11.

"DIOMEDE, THE CENTURIAN."

The above is the title of a work just issued by the Western Methodist Book Concern, Cincinnati, O., and is from the pen of Rev. H. A. M. Henderson, D. D., formerly of this State, but now of Delhi, Ohio.

While the work can not be styled a novel, yet it is a work of such thrilling interest and power that it is hard for one who commences it to lay it down until the last page is read.

It deals with the time of the advent of our blessed Savior, and forcibly reminds one of Gen. Lew Wallace's great book, "Ben Hur." Any one who has ever heard Dr. Henderson preach, or who has read anything from his pen, can easily realize how clear and beautiful his style is.

This work is fully up to his past high standard, and his clear-cut and beautiful sentences ring out with all his aforetime vigor and power.

We desire to return our sincere thanks to our dear friend for his kindly remembrance of us in sending his beautiful book. To those of Dr. Henderson's army of friends in this State we would most heartily commend this work, and assure them that they will be amply repaid for the outlay in purchasing the book by the exquisite pleasure which its perusal affords.

Kodol Dyspepsia Cure

"Digests what you eat."

Dyspeptics can not be long lived because to live requires nourishment. Food is not nourishing until it is digested. A disordered stomach can not digest food, and it must have assistance. Kodol Dyspepsia Cure digests all kinds of food without aid from the stomach, allowing it to rest and regain its natural functions. Its elements are exactly the same as the natural digestive fluids, and it simply can't help but do you good. South & Longmoor and W. McKee Hardie.

HOW IT IS DONE.

The first object in life with the American people is to "get rich," the second, how to regain good health. The first can be obtained by energy, honesty and saving; the second (good health) by using Green's August Flower. Should you be a despondent sufferer from any of the effects of Dyspepsia, Liver Complaint, Appendicitis, Indigestion, etc., such as Sick headache, Palpitation of the Heart, Sour Stomach, Habitual Constipation, Dizziness of the Head, Nervous Prostration, Low Spirits, etc., you need not suffer another day. Two doses of the well known August Flower will relieve you at once. Go to John W. R. Williams & Co., Frankfort, Ky., and get a sample bottle free. Regular size, 75c. Get Green's Price Almanac. 81-1y.

A Cup of Good Coffee

To get a really good cup of coffee you'll have to start back of the actual making; you'll have to look to the roasting and the grinding. In ARBUCKLES' you have a coffee that's scientifically roasted, and delivered to you with all the pores of the berry hermetically sealed. You're sure of a good cup of coffee because all the coffee flavor and aroma are kept intact until you want it. The fame of ARBUCKLES' induced other coffee packers to put out imitations of it. These imitations cost the grocer (and you) a cent a pound less than ARBUCKLES'. But don't be tempted to buy a package of some other coffee when you can get

Arbuckles' Roasted Coffee

for it is actually less expensive than the cheap kind; goes further—besides being better flavored, more satisfying.

You will find a list of useful articles in each package of Arbuckles' Coffee. A definite part of one of these articles becomes yours when you buy the coffee. The one you select from the list will be sent you on condition that you send to our Notion Department a certain number of signatures cut from the wrappers.
